### Employment and Training Administration

[TA-W-73,376]

#### Wacker Neuson Corporation, a Subsidiary of Wacker Neuson SE. Menomonee Falls, WI; Notice of Termination of Investigation

By application dated August 17, 2010, a company official requested administrative reconsideration of the affirmative determination regarding workers' eligibility to apply for Trade Adjustment Assistance (TAA) applicable to workers and former workers of the subject firm. The certification of eligibility was issued on July 30, 2010. The Department's Notice of determination was published in the **Federal Register** on August 13, 2010 (75 FR 49530). The workers produce construction equipment and are not separately identifiable by product line.

The initial investigation resulted in an affirmative determination based on the findings that a significant proportion or number of the workers at the subject firm were totally or partially separated, or threatened with such separation, that the subject firm shifted to a foreign country the production of articles like or directly competitive with those produced by the workers, and that the shift in production contributed importantly to worker group separations at the subject firm.

On August 18, 2010, the Department issued an Affirmative Determination Regarding Application for Reconsideration for the workers and former workers of the subject firm. The Department's Notice of determination was published in the **Federal Register** on August 30, 2010 (75 FR 52980).

In the request for reconsideration, the company official requested that the Department rescind the affirmative determination regarding worker eligibility to apply for TAA. The company official stated that the shift in production abroad did not contribute importantly to worker separations because the production of the article that shifted employed a negligible number of workers and, when production shifted abroad, those

workers were reassigned to other product lines.

Under 29 CFR 90.18(a), "Any worker, group of workers, certified or recognized union, or authorized representative of such worker group, aggrieved by a determination issued pursuant to the Act \* \* \* may file an application for reconsideration of the determination \* \* \*."

Upon further review of the request for reconsideration, the Department determines that an employer's request for reconsideration of an affirmative determination is not in the best interest of the worker group and, therefore, the Department cannot infer that the employer is acting as an "authorized representative" of the worker group.

Further investigation on administrative reconsideration would serve no purpose; therefore, the investigation is terminated.

Signed at Washington, DC, this 2nd day of May, 2011.

**SUPPLEMENTARY INFORMATION:**

I. *Background:* The Office of Federal Contractor Compliance Programs (OFCCP) administers three nondiscrimination and equal employment opportunity laws. These authorities prohibit employment

discrimination but also require affirmative action to ensure that equal employment opportunities are available regardless of race, sex, color, national origin, religion, or status as a qualified individual with a disability or protected veteran by Federal contractors.

- Executive Order 11246, as amended (EO 11246);
- Section 503 of the Rehabilitation Act of 1973, as amended, 29 U.S.C. 793; and
- The affirmative action provisions of the Vietnam Era Veterans' Readjustment Assistance Act of 1974, as amended, 38 U.S.C. 4212.

For purposes of this clearance, OFCCP is dividing its responsibilities under these authorities into categories: (1) Construction and (2) non-construction (supply and service). This clearance request covers the EO 11246 non-construction supply and service aspects of our program. To view the current supply and service Information Collection, go to [http://www.reginfo.gov/public/do/PRAViewICR?ref\\_nbr=200804-1215-003](http://www.reginfo.gov/public/do/PRAViewICR?ref_nbr=200804-1215-003). A separate Information Collection Request (ICR), approved by the Office of Management and Budget (OMB) under OMB No. 1250-0001 (formerly 1215-0163), covers the construction aspects of these programs.

E.O. 11246 prohibits Federal contractors from discriminating against applicants and employees on the basis of race, color, religion, sex, or national origin. The E.O. 11246 applies to Federal contractors and subcontractors and to federally assisted construction contractors holding a Government contract of \$10,000 or more, or Government contracts which have, or can reasonably be expected to have, an aggregate total value exceeding \$10,000 in a 12-month period. The E.O. 11246 also applies to government bills of lading, depositories of Federal funds in any amount, and to financial institutions that are issuing and paying agents for U.S. Savings Bonds.

The ICR discussed below will address EO 11246, non-construction Supply and Service program, that is subject to the Paperwork Reduction Act of 1995 (PRA).

II. Review Focus: The Department of Labor is particularly interested in comments which:

- Evaluate whether the proposed collection of information is necessary for the compliance and enforcement functions of the agency, including whether the information will have practical utility;
- Evaluate the accuracy of the agency's estimate of the burden of the

proposed collection of information, including the validity of the methodology and assumptions used;
